

Media Release

Cognitec at ISC West 2010

Dresden/Las Vegas, March 18th, 2010. Cognitec Systems, - a leader in face recognition technology and systems, will be presenting its latest products at the ISC West 2010 to be held at the Sands Expo and Convention Center in Las Vegas, NV, USA March 24th – 26th, 2010.

Cognitec's presentation includes:

- A new version of Cognitec's biometric face recognition VideoScan software: Person identification through video surveillance cameras using multiple cameras in real time, based on Cognitec's unique face tracker technology
- Face recognition DBScan software: Cognitec's well established technology to identify duplicates in very large image databases

About Cognitec

Headquartered in Dresden, Germany and with offices in Miami, FL; Hingham, MA; Rio de Janeiro, Brazil; and Hong Kong, China, Cognitec develops, markets and deploys the well- established and market leading FaceVACS® face recognition software to global customers and government agencies. Cognitec's software experts have been developing face recognition technology since 1995. In various independent evaluation tests including the Face Recognition Vendor Tests in 2002 and 2006, FaceVACS® has proven to be the leading technology available on the market.
